Dear Friends:

Thank you for inviting me to be a part of the 30th anniversary celebration of the Lethbridge Twinning Society. Canada and the United States, as well as Montana and Alberta, share more than just the longest unguarded border in the world. We share much in common, including history, language, and culture.

Yet each country is unique. Most importantly, we share a strong friendship that is exemplified in the Sister City relationship between Great Falls and Lethbridge. These two great cities have enjoyed a Sister City bond since 2014 and is evident in the many hostings between these two cities over the years. Both cities also share a strong economic and trade relationship along the US and Canadian Rocky Mountain Front.

I believe building strong personal relationships is key to growing a better understanding of our two unique countries. I look forward to the possibility of meeting with one of your delegations when I am in Great Falls.

Enjoy your celebration and the rest of your summer.

Sincerely,
