**Subject: 30<sup>th</sup> Anniversary Congratulations!**

Dear Harold:

On behalf of the entire City Council, it is with great pleasure that I congratulate The Lethbridge Twinning Society on your 30<sup>th</sup> Anniversary. The City of Culver City is so grateful for our 30 year partnership with the Twinning Society. Together, we've created many fond memories during the exchanges between our two cities. I value our Sister City program which strives to broaden our community's cultural relations with Lethbridge and our other sister cities.

In 1956, President Eisenhower envisioned a network which would lead to global peace and prosperity by nurturing connections between people from different communities around the world. President Eisenhower believed that people from different cultures could appreciate and celebrate their differences while building relationships that would lessen the chance of new conflicts. The Lethbridge Twinning Society embodies President Eisenhower's vision, which is still relevant today.

I wish you all the best for a successful celebratory anniversary event on July 16<sup>th</sup>. While I cannot be there personally, our Sister City Committee and City Council are very much looking forward to welcoming you to Culver City in August. Enjoy the festivities!

Sincerely,

Meghan Sahli-Wells  
Mayor
