June 6, 2019

## *Congratulations Lethbridge Twinning Society on your 30th Anniversary*

It is with great pleasure that Culver City Sister City Committee joins our sister city in celebration of the 30th Anniversary of the creation of the Lethbridge Twinning Society. We commend your Twinning Society for its promotion of goodwill and understanding over the last 30 years through its relationship with its sister cities of Timashevsk, Russia; Towada City, Japan; Great Falls, Montana and Culver City, California. We are especially thankful for the strong bond we have established and nurtured between our two cities since 1989.

May your future work prosper and continue to build friendships with many around the world!

Sincerely

Nancy Perdomo  
President  
Culver City Sister City Committee
