

# MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to congratulate the Lethbridge Twinning Society on 30 years of promoting friendship and understanding between Lethbridge and its sister cities.

In our increasingly complex world, the bonds created by twinning relationships break down barriers and help us to view both the world and ourselves as Canadians in a new light. As we learn about the lives of citizens in another town, in another country, we find meaning in the differences that make us unique as well as the similarities we share. Thank you to the society and its members for embracing the cause of diplomacy.

Thank you as well to Makoto Sakurada for gracing our province once again, and for supporting Towada City's sister and its worthy twinning society.

Best wishes as you celebrate this remarkable milestone.

**Hon Jason Kenney, Premier of Alberta**
