Statement from the Prime Minister of Canada

It is with great pleasure that I welcome you to Lethbridge Twinning Society's 30th anniversary celebrations.

Since its founding, the Lethbridge Twinning Society has promoted the importance of friendship and collaboration. They share my vision of working with our global partners to make Canada and the world a better place.

Today, Lethbridge shares a special relationship with three cities from the United States, Russia and Japan, thanks to the hard work of the Lethbridge Twinning Society.

I would also like to extend a special welcome to Makoto Sakurada. We are fortunate to have him with us for this special day.

Thank you to the organizers and volunteers for making this event possible, as well as to those in attendance. Congratulations on reaching such an important milestone. Please accept my best wishes for a memorable celebration.
